Commitment to Truth and Reconciliation

Mind – To Know

In recognition of National Indigenous Peoples Day,

and in alignment with the CBE Education Plan,

SOMERSET SCHOOL

acknowledges and supports the Truth and Reconciliation Commission of Canada's (TRC) Calls to

Action, and makes the following commitment to action for the

2026-2027 school year:

Body – To Do | Students as Knowledge Sharers

Throughout the school year each grade will use their based learning and their personal histories and stories to create an **individual Land Acknowledgement**. Students will reflect on what they have learned about Treaty 7, the land, and our responsibilities to one another and the land. Students will share their Land Acknowledgements and learning with the school community through an **assembly**, providing an opportunity for students to move beyond reciting an acknowledgement toward understanding its meaning and considering their own role in reconciliation.

Mind – To Know | Indigenous Voices in Learning

Teachers will **intentionally seek out and incorporate works by Indigenous authors and artists** to guide and enrich learning across the curriculum. Rather than limiting Indigenous learning to specific dates or events, staff will identify authentic opportunities to centre Indigenous voices, perspectives, stories, art, and ways of knowing within everyday classroom learning.

Heart – To Belong
